

Fit for Purpose Community Training Programme

Outcomes for monitoring and evaluation

Why attend?

Are you tired of trying to measure your organisation's outcomes?

An outcomes approach helps services and organisations deliver more effectively for their client group. This is an important part of the funding process and knowing how to report well is important for getting future support for your organisation.

Key Topics

- Definition of outcomes, monitoring and evaluation
- Setting goals and targets
- Working to an action plan and managing reporting systems.

By the end of the course you will:

Create a clear framework to record the changes you create for your service users.

Who should attend? Anyone who is or will be applying for funding and finding it hard to measure the success of their project.

When?

Wednesday, 11 July 10 – 4.30pm

How much will it cost? Free

How do I apply? Fill in the attached form and return to Gillian on gillian@hcv.org.uk

Do I need to bring anything? Only pen and paper, lunch is provided.
